## U.S. 69 resurfacing project to start in Miami County

The Kansas Department of Transportation (KDOT) expects to start a resurfacing project on U.S. 69 in Miami County on Monday, March 28. The work begins 1.3 miles south of 359<sup>th</sup> Street and continues north to end south of K-68.

Activity includes placing a 1-inch reflective crack interface layer and a 3-inch asphalt overlay on the driving lanes. Traffic will be carried through construction with intermittent lane closures. KDOT awarded the construction contract of \$13.3 million to Bettis Asphalt & Construction Inc. of Topeka. Weather permitting, the project should be finished by mid-November.

Persons with questions may contact KDOT Area Engineer Donna Schmit, (785) 433-6107, or Public Affairs Manager Priscilla Petersen, (620) 902-6433. Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more road condition and construction details.
